with any whiskey — at any price!

TRUST YOUR OWN GOOD TASTE to decide which whiskey is right for you.

Frankly, whether it's Calvert Reserve or some other brand, the whiskey that tastes best to you is the brand for you to buy.

That's why we urge you to make your own taste test between Calvert and your present brand.

We believe you will choose Calvert, because the taste of Calvert Reserve is actually determined by a Consumer Jury of thousands of folks like you. But if you really prefer the other brand then stick with it. Fair enough?

Be Your Own Whiskey Expert! Make this 60-Second "Showdown" Test!

ASK A FRIEND or your favorite barman to pour about 1/4 oz. of Calvert Reserve into a glass, and the same amount of your present brand into another — without telling you which is which. Sniff one brand and taste it critically. Wait 30 seconds and test the other. Then pick the whiskey that really tastes best to you.

Busy Session Held By Warren Lodge of Odd Fellows

The regular meeting of Warren Lodge No. 339, IOOF, was enjoyed by an exceptionally large attendance including many visiting members.

The third degree was most efficiently exemplified by the team under the direction of Captain Raymond Olson, after which Past Grand Howard Kinkead gave an address concerning the IOOF Home for Children at Meadville.

Past Grand R. N. Brown was present and received special mention and honors of the lodge for his part in making the home one of the most modern in the country today, he having served 34 years on the board of trustees.

The lodge was honored with the attendance of Senator Warden Lloyd Eaton, of the Grand Encampment, whose talk was on Odd Fellowship and on the IOOF Home for the Aged at Grove City.

After appropriate remarks from District Deputy Grand Master Luther Whittaker, the new members and visitors, the meeting was closed and all adjourned to the dining hall where Past Grand Blair Craft, Howard Putnam, Leo Bushy, Carl Peterson and Robert McDanel had prepared an old-fashioned Odd Fellows' oyster supper. Later the social rooms were filled, with members displaying considerable interest in pool, billiards and pinocle, during which the keen rivalry between the Encampment and the Subordinate lodge was remed preparatory to the starting of the tournament next meeting night.

The noble grand emphasized the fact that visiting members are always welcome.

All-American Inc., Has a Busy Month

All American Airways, Inc., boarded 260 passengers at the Bradford-McKean Airport last month, more than 100 percent increase over the same period last year, James DeMarte, station manager reported.

Passenger statistics were as follows: October, 1950, 260; October, 1949, 120. Mr. DeMarte also reported a substantial gain in the number of passengers who got off of All American mainliners here. Last month 231 alighted here while last year's October figure was 93. The airline as a whole set a new company record last month with an 89 percent increase in the number of passengers carried compared with the same month a year ago.

During October, All American carried a total of 15,590 passengers. In comparison for the same month in 1949, the airline boarded 8,205 air travelers.

Extension Group In Forest County Will Meet On Friday

Switzerland color scenes will illustrate the address, "We Visit Our Neighbors Across the Sea," to be given by William Lefes, Mercer county, on Friday evening, at the 31st annual meeting of the Forest County Agricultural Extension Association in the Presbyterian Church, Tionesta.

Lefes, an international youth exchange delegate to Europe in 1949, has spoken and shown his slides to more than 80 groups of over 8000 persons.

The program will open with a town-country people's dinner at 6:30 p. m. in the dining room of the Presbyterian Church.

"Yours is the Land" is the title of a sound motion picture to be shown at 7:30 o'clock in the Sunday School auditorium.

After a short business session and election of officers, there will be a review of 1950 extension activities in a panel discussion with the following participating: J. R. Allio, Newmansville; Mrs. F. W. Detrick, Sr., Marienville; Mrs. Scott Kiefer, Marienville; Mr. and Mrs. John H. King, West Hickory; Glenn Shaffer, Tionesta, R. R.; Wm. Shoup, Marienville; Faith Watson, Tionesta; Pauline Hoke, home economics worker, and Russell M. Smith, County Agent.

Special music will be furnished by the girls' sextet of Tionesta

Erie Court Will Test Intoximeters

Erie—Erie county's courts were scheduled to become the scene next week of the first cases in Pennsylvania to test the legality of using intoximeter tests as trial evidence.

Assistant director of agricultural and home economic extension, H. R. McCulloch, will speak briefly on the subject, "The Means to An End."

District Attorney Damian J. McLaughlin said he didn't know how many cases would be built on evidence supplied by the new gadgets. He said he would first have to learn how many of them would be contested on grounds of the machine's illegality.

He pointed out, however, that a court ruling barring the machine's findings from testimony would not kill its value. He cited the detector as a machine which, while valueless in court, still had utility in guiding the prosecution's case.

Meanwhile, he declared, the machine is actually saving the county money. Its operation costs less cash than the previous system of hiring a physician to determine the extent of a suspect's intoxication.

Big Fuel Company Wants to Sell Gas To Three Towns

Washington — Trial Examiner Emory Goodall of the Federal Power Commission heard evidence in support of an application for supplying expanded natural gas facilities to the Chautauque county village of Westfield, Mayville and Chautauque. The applicant is Tennessee Gas Transmission Co., which proposes to make available 600,000 cubic feet of gas a day to Republic Light, Heat & Power Co., Inc., for resale to the three communities.

The gas would be provided through Tennessee's new 26-inch pipeline to Buffalo, work on which is expected to be completed by the

end of this month. The new pipeline intersects Republic's system near Mayville, at which point Tennessee seeks permission from FPC to install a sales meter.

Opposition to the application was heard from an attorney for three small towns in the state of Mississippi. The three communities also seek gas from Tennessee, and are asking that their supply be assured before any further expansion of the firm's sales is permitted.

Tennessee Gas Transmission Co. attorney told the examiner that the cost of making the necessary installations near Mayville would be approximately \$3,000, and that estimated annual revenues from sale to Republic would be about \$80,000. About 5,000 persons in the three communities would be benefited by the project.

Obituary

Unless otherwise stated, visiting hours at Warren's funeral homes are from 10 a. m. to 12; 2 to 4 and 7 to 9 p. m.

DO. T. ANDRUS

Bradford, Nov. 9.—Don Thornton Andrus, 61, one of Pennsylvania's leading oil men, died at his home yesterday.

A native of Ashland, Ore., Andrus entered the oil business here after he graduated from Yale University in 1907. He was a director of Kendall Refining Co., Bradford, and was an independent producer in Bradford and Allegany fields and in Kansas and Texas.

Andrus was a director and vice president of the Independent Petroleum Association of America and a past president of the Pennsylvania Grade Crude Oil Association. Surviving are the widow and four daughters. Funeral plans are incomplete.

JAMES O. DOWNING

Sheffield, Nov. 9.—Mrs. Grant Helm received word last night that her brother, James O. Downing, died at 4:20 p. m. yesterday in McPherson, Kans.

Mr. Downing, who suffered a stroke on Monday evening, was born May 25, 1881, in Indian Creek, Pa., and had been employed in McPherson for the past 18 years as a tool dresser.

Besides his sister, Mrs. Helm, Main street, Sheffield, he leaves one brother, Albert, Bradford.

Arrangements for services in his memory are pending arrival of the body, which will be removed to the Borden Funeral Home. Rev. Grant L. Mottern will conduct the rites and interment will be made in Oakland cemetery, Warren.

MRS. EFFIE SPRINGER

Mrs. Effie Springer, of Russell, died this morning at 4:30 o'clock in the Barley Nursing Home of Warren. She was aged 75 years.

She leaves a son, Gail Springer, Russell; a daughter, Rachel Springer, a teacher in the school at Russell; three grandchildren; five great grandchildren; and a brother, Duane Eccles, of Port Deposit, Md.

She was a member of the Pine Grove Rebekah Lodge, and was a past district deputy president of the organization.

The body was removed to the Schoonover Funeral Home in Sugar Grove where services will be held Saturday afternoon at 2 o'clock.

Burial will be made in the Foster cemetery at Lander.

MRS. MARY ESTELLE MILLER

Mrs. Mary Estelle Miller, wife of James R. Miller of Lander, died this morning at Warren General Hospital. She was aged 78 years.

Mrs. Miller is survived, in addition to her husband, by a son, Arden Miller of Barneville, N. Y.; a daughter, Mrs. Clayton Simpson, of Clarendon; a brother, Thomas Hodges of Lakewood; a sister, Mrs. John Mahan of North Warren; a grandson, and two step-grandsons.

She resided in the Lander community all her life and was a member of the Lander Methodist Church.

Friends may call at the Schoonover Funeral Home in Sugar Grove, where services will be held Sunday afternoon at 2:30 o'clock. The Rev. Gustav Erickson, of Lander, will officiate.

Burial will be made in the Foster cemetery at Lander.

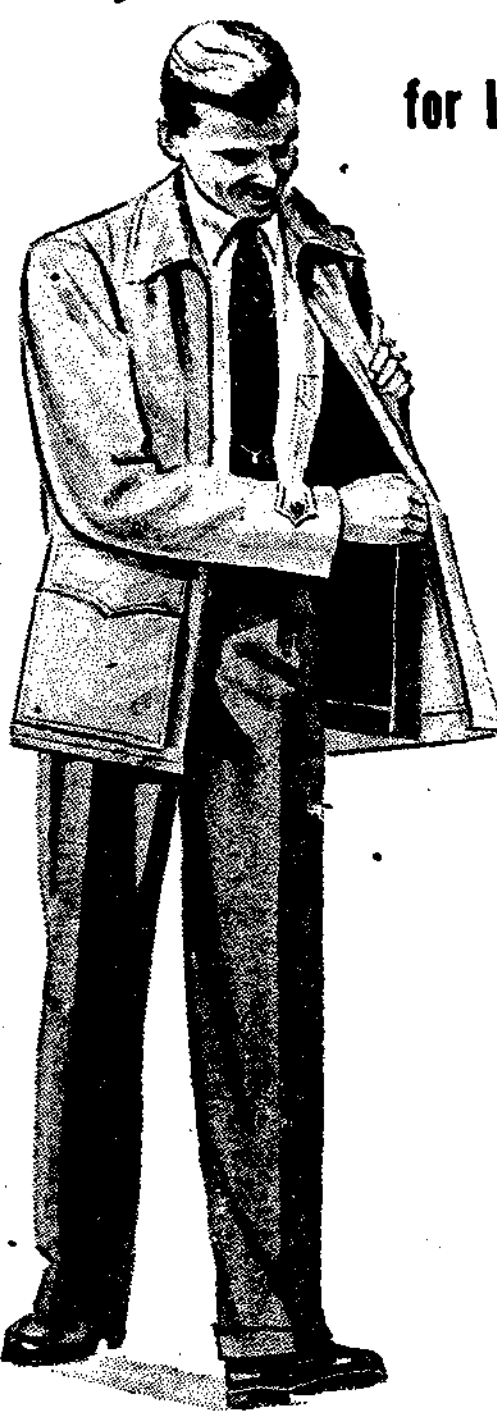

DEATH CAUSES

Accidents, tuberculosis, heart disease, pneumonia, diphtheria, and appendicitis are the six most important causes of death among children between the ages of 5 and 19, according to a survey of the U. S. Public Health Service.

Here And There

William A. Messenger, a past master, and one of the oldest members of North Star Lodge No. 241, F. and A. M., reminiscing about the 100th anniversary of that organization, during a visit to the office, recalled the close contacts of the organization had with the early development of Warren. Of the lodge and its active members of a hundred years ago Mr. Messenger says:

A lodge is made up of individual members, and a community judges the lodge by those members.

North Star Lodge has been very fortunate in the type of men who have been its leaders in the first twenty years.

Gen. J. G. James, besides his war record, was very active in public affairs.

He was active in the organizing of the Warren County court. After the old Lumbermen's Bank failed, he organized the Warren County Bank and was the president. Also he served a couple of terms in congress.

At the age of 92 he was the oldest Mason in Pennsylvania. He died two years later.

In 1893 or 1894 Archibald Tanager, one of the charter members, was active in the business of the town. He built and operated the first general store in Warren and erected the brick block that was torn down for the building where the Consumers Discount Company is now. He also erected a block of buildings about where the Kirberger jewelry store is now, and running west three or four stores. He was interested in building a steamboat which made one trip to Olean and was sold down the river. His first store was located where the north end of the Hickory street bridge is anchored now.

T. J. Wilson laid brick on the Carver House building, became a Methodist preacher, worked a number of years, was retired and came back to Warren and organized the Grace Methodist church, built a little chapel for the congregation to worship in, and that chapel is now enclosed in the big new church at the corner of Pennsylvania avenue and Crescent street. The original meeting place, or chapel, is the room back of the big door in the rear of the church.

The charter members of North Star Lodge were very active in the life of Warren, and you will find their names in the political, social, religious and business affairs of the community.

The first dry goods store was owned by a member of the lodge, O. H. Hunter. It came down through the years and eventually was owned by Johnson Brothers when it went out of business.

The trees were cut down by a member and past master of North Star Lodge to make room for the homes many citizens live in now. His name was Guy C. Irvine.

The brick building which has just been torn down on the east side adjacent to the Nazarene church was owned and lived in by General Harrison Allen, a member of North Star Lodge. The last he was heard from was about 1895 when he was in North Dakota.

One of the most active members of the lodge in the early days was a man whose works are before Warren people every day—Thomas Struthers. He lived in a store house on the corner where the First Presbyterian church now stands. It was torn down to make way for the church. Mr. Struthers built the original Struthers Wells Co. plant. He brought the P. & E. Railroad into Warren and beyond; built the theater building, served in the legislature, where he sponsored laws prohibiting (Turn to Page Nine)

NEW REPUBLICAN RESPONSIBILITIES

All the world will be watching to see how far Republican exuberance over Tuesday's election results will carry them in opposition to current American foreign policy.

Initial statements from the now much stronger minority in congress indicated strong belief that the public had expressed dissatisfaction with results under the Truman-Acheson policy. The bi-partisan approach was tottering on the sill if not completely out the window.

Defeat of Scott Lucas, senate Democratic leader, in a hot fight in Illinois where the foreign policy he so often sponsored was a key issue, increased this Republican attitude. So did the re-election of Senator Taft in Ohio.

Even before the returns were in Taft had prepared a statement demanding a broad review of foreign policy. He attacked the whole concept of defending Europe against possible Russian aggression.

Taft has always been doubtful about aid to Europe, but went along fairly well as long as Senator Vandenberg was active in bi-partisan policy. But Taft was a born isolationist who learned only late in life of the inevitable involvement of the U. S. in world affairs. He goes along hesitantly and with a wary eye for the slightest sign that anyone will go beyond the most obvious American interests. With Vandenberg playing a small role now because of ill health, and Taft's overwhelming ascendancy in the party due to his smashing victory over a tremendous opposition coalition in Ohio, his caution will likely set the Republican pace in both houses of congress.

Marshall plan aid will be threatened, not only in the last year of the current operation, but especially in planning for some form of extension on which the administration already had decided, and upon which western Europe has based many of its plans for rearmament.

Taft also indicates that the rearmament program itself is in danger.

As J. M. Roberts, Jr., Associated Press foreign affairs analyst, points out the Republican hue and cry over Communism in the administration also can be expected to continue, along with the sniping at Secretary Acheson on this and other scores. Administration miscalculation on Korea in the first place, and on Chinese Communist intervention in the second place, will be taken as grounds for questioning its judgment on other situations as they arise.

All of this tends to create a feeling of unease among America's allies, weakening their will to resist—which in some cases is not too strong anyway—and encouraging those elements which are thinking wishfully about the possibilities of neutrality in the cold-hot wars.

Yet Taft's record, and that of his party in general over the past several years, suggests strongly that in any given emergency the Republicans will go along, since administration policies have been and are being forged to meet outside forces over which it has no control. Post-election exuberance can be expected to settle down into sober acceptance of the responsibilities of increased power, says Roberts. The quicker that is done, the quicker uncertainties are removed, the better it will be for American relations with the anti-Communist allies.

American Education Week

The major purpose of free public education in a democratic social order such as ours is to make the individual socially competent. Social competence means much more than learning a certain amount of knowledge and mastering certain skills. It means the ability to live a happy, healthy life to do well some part of the world's work. It means desirable attitudes, ideals, intelligent self control, a sense of fair play, good sportsmanship, consideration for the rights of others, and respect for law and order. It means the ability to live and learn successfully with others in home, school, and community; the ability to think, plan, and work together for the common good.

Penelec Prepared To Meet Demands In Any Emergency

D. W. Jardine, president of Pennsylvania Electric Company, today said that Penelec will be able to meet all power demands in the present defense emergency.

He said expansion of generating facilities by the Company will provide sufficient capacity to care for the needs of its customers. "Penelec has an adequate reserve now and will have a reserve in the future to meet any foreseeable civilian and defense needs," Mr. Jardine pointed out.

He revealed that an all-time peak demand of 421,000 kilowatts was established on the Penelec system on October 24 between the hours of 10 and 11 a. m. and the peak demand on the system in December 1950 is expected to exceed 425,000 kilowatts.

"If the need should arise, Penelec could carry a peak demand of nearly 490,000 kilowatts," he continued. "Further assurance that there will be an adequate supply of electricity in Penelec territory is the recently-completed transmission line connecting our facilities with those of 16 companies in the Eastern Power Pool. This line can furnish 40,000 kilowatts of power."

Demand for power in the Penelec system has doubled in the past ten years but the Company with its modern generating equipment is better able to meet the demands of today than it was those of ten years ago, Mr. Jardine revealed.

"Additions which are now scheduled will add approximately 50 per cent to Penelec's generating capacity in the next five years making it capable at that time of carrying a peak demand of well over 730,000 kilowatts," the president said. He also pointed out that the Company's plans are flexible enough to provide for the

addition of still more capacity if its need is indicated.

Additions to the Company's generating capacity since 1940 include 80,000 kilowatts at Seward near Johnstown, 70,000 KW at Warren, 28,600 KW at Williamsburg and 25,000 KW at the Front Street Station in Erie.

Presently under construction is an addition to the Front Street Station which will add another 63,250 kilowatts when completed in 1952. Construction of a 132,000 kilowatt station at Shawville, near Clearfield, is scheduled to start next year.

Penelec's president said that investor-owned electric companies are adding 5,200,000 kilowatts in 1950 and a survey just completed shows that in the period 1946-1953 the companies will have installed 31,500,000 kilowatts. By the end of 1953, they will have over 73,000,000 kilowatts of generating capacity, more than twice the amount at the beginning of 1941.

the pace of progress

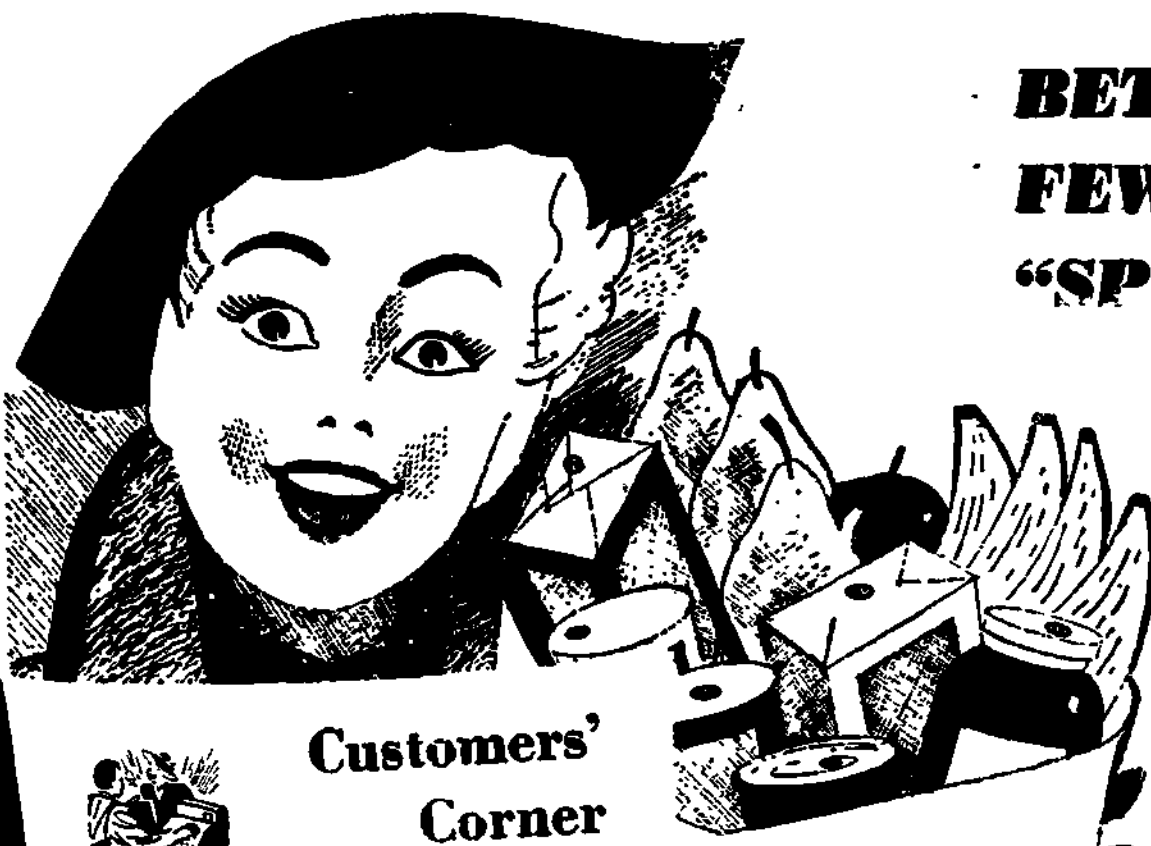

With almost methodical regularity we hear or read of startling new discoveries in medicine. The pace of progress in research has been greatly accelerated. Hundreds of trained people are devoting their lives to organized research where there was but one a few years ago. As soon as the value of a new drug has been established, it is made available to the medical profession. A chronic condition from which you have been suffering may yield to a new treatment today. It is wiser than ever before to see your physician regularly once or twice a year. We take pride in maintaining complete stocks of the newer medicinal agents, ready to serve you on the order of your physician.

Cast Is Announced For Senior Play

"Do I look as crazy as you people do?" exclaims Hank, a 20th century college student when he finds himself back in the 6th century, facing King Arthur's court. The role of Hank Bennett is enacted by Donald Shriver in the senior play, "C Connecticut Yankee in King Arthur's Court", to be given in the Warren High School auditorium Thursday and Friday, November 16 and 17, under the direction of Miss Kathryn Martin. Marion, Hank's sister, is played by Carole White; and Mrs. Bennett, Hank's mother, by Grace Germonio.

Patricia Clark as Queen Guenevere, dominates over a good-natured and somewhat hesperked King Arthur, who is portrayed by Donald DeLong. Yvonne Pino is Queen Morgan Le Fay, a scheming, blackhearted woman. Her partner in intrigue, with his wild curses and witchcraft, is Merlin, the magician, played by Jack Timms.

Sandy (Rebecca Keim) becomes Hank's secretary, and Elaine (Valrie Yaggie) is another young lady of the court. Dennis Wilson takes the part of the mischievous page. The famous old knight, Sir Launcelot (Mark Bevevino), appears at the court, and the belligerent Sir Sagamore (Robert Reese) stalks about, boasting of his feats and valor.

Shower Is Given For Mrs. Alfred Johnson

Barnes, Nov. 9—The home of Mr. and Mrs. Ernest Blair was the scene of a delightful party, when Mrs. B. S. Cook, Mrs. Frank Rudolph, Mrs. Raymond Billstone and Mrs. W. T. Hoyer entertained with a bridal shower honoring Mrs. Alfred Johnson, recently wed.

Games and contests were planned for the entertainment with prizes awarded to Irene Marshall, Mrs. C. E. Jeffords, Mrs. Kenneth Pierce and Mrs. Harrison Wolfe. Mrs. Johnson was presented with gifts and a purse of money to be used for silverware. At the close of the evening, all were invited to the dining room, where refreshments were served. Mrs. C. R. McNeal presided at a table attractively spread with a lace cloth and centered with a beautiful bouquet of daisies and roses.

Those present were: Mrs. Raymond Ralston, Mrs. Ralph Donaldson, Mrs. Milton Danielson, Mrs. W. D. Barnes, Mrs. C. R. McNeal, Mrs. R. E. Curtin, Mrs. Harry Silvis, Ruth Silvis, Mrs. C. E. Jeffords, Mrs. Grace Miller, Mrs. Wayne Whitton, Mrs. George Conquer, Mrs. Arthur Irvine, Mrs. B. J. Hoyer, Mrs. Bertha Bowley, Mrs. Ben Allen, Mrs. Harrison Wolfe, Mrs. Jack Pitcock, Mrs. Della Ewings, Mary Ewings, Mrs. Elmer Slack, Jr., Irene Marshall, Nelle Titus, Mrs. Ruth T. Miller, Mrs. Grace Conquer, Mrs. Fred Rounds, Mrs. Harry Shaw, Mrs. J. E. Lyle, Barbara Lyle, Mrs. Frank Gallagher, Ariel Houghton, Mrs. Myron Alling, Mrs. Leona Donaldson, Mrs. G. L. Holden, Barnes; Mrs. Charles McNeal, Sheffield, the hostesses and the honored guest.

Newcomers Planning Annual Holiday Event

The November meeting of the Newcomers Club was held in the form of a dinner party at the YWCA activities building. The hostesses, Becky Powell, Mrs. MacBride and Mrs. Helen Sheigren, gave the affair a fall atmosphere with table decorations consisting of large, shiny red apples on beds of multi-colored leaves and bouquets of mums.

Newcomers introduced were Mrs. Grace Jones, Mrs. Frances Solomon, Mrs. Jane Safford, Mrs. Irene Philbiad, Mrs. Anne Morse, Mrs. Louise Marks and Mrs. Mary Elizabeth Anderson.

It was decided to hold a rummage sale in the Briggs Flower Shop November 17-18 and the annual semi-formal Christmas dance at the YWCA December 8.

Following dinner, the group adjourned to the parlors where Johan Stohl entertained at the piano. His musical program included MacDowell's Nocturne, Grieg's To Spring, Gershwin's Third Prelude, and Chopin's Polonaise in C minor.

MENU SUGGESTIONS

**BY GAYNOR MADDOX
NEA Staff Writer**

THOSE new 2½ to 6-pound (ready-to-cook) turkeys are perfect for the small family Thanksgiving dinner. They can be broiled, fried or stuffed and roasted. They have become very popular and many families serve two on a platter just to make sure there will be "big eating" all around the table.

Here are instructions from the experts of the Poultry and Egg National Board:

How to Roast a Small Turkey: Stuff turkey just before roasting. Stuffing prepared in advance must be refrigerated. Allow 1 cup stuffing per pound ready-to-cook weight.

Stuffing and Trussing: Rub cavity of bird with ½ to 1 teaspoon salt. Stuff body and wishbone cavities lightly. Close by placing skewers across the body opening and lacing shut with cord. Tie drumsticks securely to tail. Fasten neck skin to back with skewer. Shape wings "akimbo" style, bringing tips onto back.

Roasting Technique: Brush skin with melted fat. Poultry seasoning or other herbs may be sprinkled over the surface. Place trussed bird, breast down, on a rack at least ½ inch high in a shallow open pan. Lay fat-moistened thin cloth (large enough to drape down the sides) over top of turkey.

Slow Roasting: Roast turkey at a low temperature (325-350 degrees) for 2½ to 4 hours, depending on size. Do not sear. Do not add water. Do not cover. Turn bird breast up when about three-fourths done. Roast until tender. If cloth dries during cooking, moisten cloth with fat from bottom of pan.

Test for Doneness: Move leg by grasping end of the bone. The drumstick-high joint breaks or moves easily. Or, press drumstick meat between fingers. Meat should be very soft when done. Do not pierce meat with fork.

TOMORROW'S MENU

BREAKFAST: Pineapple juice, scrambled eggs, toast, fortified English muffins, butter or coffee, milk.

LUNCHEON: Creamed tuna fish and peas on toast, whole wheat bread, butter or fortified margarine, fruit cup, tea, milk.

THANKSGIVING DINNER: Tomato bouillon, crackers, roasted small turkeys, stuffing, giblet gravy, frosted cranberry and parsley garnish, candied sweet potatoes, French fried zucchini (green squash), chicory and grapefruit section salad, French dressing, steamed Indian meal pudding, whipped cream, coffee, milk.

LUDLOW

Ludlow, Nov. 9 -- Mrs. Ernest Swanson entertained Moniah Missionary Society at the church for its regular meeting, with a fine attendance. The meeting was conducted by the president, Edith Larson, who also led devotions. The program centered on Japan and was given by Miss Tillie Olson, Mrs. Homer Giffert and Mrs. Carl Benson. Plans were made for a Christmas tree and exchange of gifts with names drawn by each person. It was decided to what causes Society money is to be given after all obligations are paid. Refreshments were served at the close of the meeting.

CHOIR PARTY

Grace church choir members enjoyed a tureen dinner in the League room of the church, when a wedding gift was presented to Emily Corbett and gifts were mailed to former choir members, Margaret Mathyer and Eugenia Price, who have moved out of town.

SLIM THE WAY THE NATURE SLIM

Hostesses for the day were Mrs. Carl L. Swanson and Mrs. Allen Troutman. The meeting was opened by the president, Mrs. Axel K. Anderson, and Scripture reading and prayer were by Pastor Pearson. It was voted to give a gift to a person in the Home for the Aged in Brooklyn, with Mrs. John G. Johnson appointed to purchase the gift. The program included a reading by Mrs. Edith Johnson; a zither solo by Alexandra Connelly; short meditation by Pastor Pearson; piano solo by Mrs. Enoch Nelson. Coffee was served at a beautifully appointed table by the hostesses.

Mr. and Mrs. Julius Swanson, Meadville, were weekend guests of Mr. and Mrs. Evert Johnson. Helen Franos spent Saturday in Cleveland. Neil Johnson and Paul Johnson and friends of Upsala College, spent the weekend in Ludlow, coming for a day of hunting. Neil is the son of Mr. and Mrs. Adolph Johnson and Paul is the son of Mr. and Mrs. John G. Johnson. Linnea Swanson and Mrs. Freda Swanson attended an Elie wedding, Saturday.

Friends will be interested to know that Mrs. John L. Peterson is a patient at the Bailey Nursing Home, North Warren.

Dorcas Class Names Officers At Meeting

A large turnout of members marked the November meeting of the Dorcas Class of First Lutheran church, when the nominating committee presented the slate and the following were elected to serve as officers in the coming year:

President, Charlotte Turner; vice president, Olive Soderberg; secretary, Hazel Witz; treasurer, Bernice Swanson.

Conducted by President Elsie Ristau, the meeting opened with all singing a hymn, "O, That the Lord Would Guide My Ways," and devotions featuring the 23rd Psalm.

A report was made on the communion breakfast in charge of the president and Martha Schultze, and there was a discussion con-

cerning fruit to be sent to the Bethesda Home. Marie Leuthold reported she had collected money for six cases of sweet cherries to be purchased and sent there. Plans were made, also, for the class Christmas party to be held December 13.

After the meeting had closed with the Lord's Prayer, Pearl Lund was presented as the speaker, giving an interesting and timely talk on Korea. She had many interesting pictures and some small dolls to portray the dress of the people and her talk was much enjoyed.

Entertainment for the evening was in charge of Mora Leffard and Elizabeth Lauffenberger and refreshments were served by Martha Baker, Florence Hansen, Mildred Newgreen and Victoria Staff.

ENGAGEMENT IS OF INTEREST HERE

Mr. and Mrs. Lycurgus Laakaris, Havertown, have announced the engagement of their daughter, Kathryn, to Arthur A. Meyerhoff, son of Mr. and Mrs. Howard A. Meyerhoff, Glen Echo Heights, Washington, D. C.

Miss Laakaris, who has visited here frequently at the home of her brother, Leon, was graduated from Havertown Township High School in June, 1949, and is now in her second year of undergraduate studies at Stanford University, California, where she is majoring in art.

Mr. Meyerhoff was graduated from Yale University in 1947, majoring in geology. He attended Harvard University in 1948 and is now completing graduate work for a Ph. D. degree in geology at Stanford.

No date has been set for the wedding.

BIRTHDAY PARTY

The 4 Fun 8 Club was entertained at the home of Mrs. Gordon Clark, Youngville, to honor the birthday anniversary of Mrs. Victor Kiteinger. An autumn motif was carried out in decorations for the one o'clock luncheon, with chrysanthemum favors at each place and a birthday cake as the centerpiece.

After the business session, the honored guest was remembered with many nice gifts. The remainder of the afternoon was spent in playing cards, with honors going to Mrs. Alfred Meisen and Mrs. Kenneth VanDewark.

LUELLA MCKEAN PLANS OPEN CHURCH

Luelle McKean, daughter of Mr. and Mrs. Leonard J. Engel, Warren R. D. 1, has planned open church on Friday, November 17, for her marriage to Howard Bailor, son of Mr. and Mrs. John Bailor, Tidouche. The ceremony will take place in the Tidouche Methodist church at 8 p. m.

WOMEN OF MOOSE PLAN ANNIVERSARY

Senior Regent Marie Covell was in charge of the regular meeting of Warren Chapter, 693, Women of the Moose, held last evening. Plans were completed for the 28th anniversary dinner to be held next Thursday evening at the Moose Temple, when eight chapter members will be honored. The affair will be in the form of a solicited twelve dinner and those wishing further information are asked to call Leota Minnick, 5870-R3.

Attendance prizes for last night's session were won by Loreta West, Marie Covell, Ann Simmons and Lela Hubbard.

CHILDREN'S AID BOARD

The November meeting of the board of directors of the Children's Aid Society will be held in the office of the agency at 10 a. m. Tuesday.

BIRTHDAY SURPRISE

Robert A. Stanton, Akeley R. D. 2, was pleasantly surprised when a group of friends and neighbors gathered to tender him a birthday party. Upon arriving, guests presented the honored one with several practical jokes as gifts. Cootie and canasta were enjoyed, with high scores held by Jennie Belle VanOrd and Bertrand Lohnes; low by Arthur VanOrd and Betty Jane Putnam.

Refreshments included a birthday cake baked and decorated by Mrs. Bertrand Lohnes. The honored guest was the recipient of a number of nice reminders of the occasion. Those present were Mr. and Mrs. Bertrand Lohnes, Mr. and Mrs. Donald Holt, Mr. and Mrs. Herbert Putnam, Mr. and Mrs. Warren Jones and son, Mr. and Mrs. Arthur VanOrd, Mr. and Mrs. Rodney Jones.

Mrs. Rockwell To Autograph Books At Metzger-Wright

Mrs. Albert Rockwell, of this city, whose new book, "Here's How: A Journey Through Good Food," is widely heralded as one of the most comprehensive volumes on the subject to appear in many years, will be at the Metzger-Wright book department Friday from one to five p. m. to autograph books for patrons. Mrs. Rockwell is planning to return to New York again where she will be a guest on the program "Luncheon at Sardis," and other radio and television shows. While on her recent visit to that city Mrs. Rockwell was in great demand for appearances on similar shows. They included Ruth Bear's television show "Shop, Look and Cook," she was interviewed by Clementine Paddleford, food expert for the New York Herald-Tribune, also on the Lydia Rogers program. She was interviewed by a United Press writer, had luncheon with Mr. DeVaga, head of the White Turkey Inn, and appeared with Ted Lawrence on his Radio "Night Watch" program and the Red Steel show.

Musical Enjoyed By College Club

The November meeting of the Warren College Club was held Tuesday evening in Dunham parlors of the First Methodist church. After a brief business session, a delightful musical program was presented by the chairman, Mrs. Howard Laufenberger, to more than 90 members and guests.

Mrs. Charles Eaton and Miss Lilian Larsen played a number of pleasing piano duets and Miss Teresa Fino sang two groups of selections, performing the following:

I. Stillehne, Bach-Maier; The Little Windmills, Couperin-Gest; Blithe Bells, Bach-Grainger—Mrs. Eaton and Miss Larsen.

II. It's Lovely Here, Rachmaninoff-Babin; Suite (Romance Valse), Arensky—Mrs. Eaton-Miss Larsen.

III. Mi lagnerò taendo: from "Siroe", Handel; Non so più cosa son, cosa Fazio from "The Marriage of Figaro", Mozart; Somebody and The Highland Widow's Lament, two Scottish songs with original text by Robert Burns, Schumann—Miss Fino.

IV. Scaramouche (Clown) Suite, Milhaud—two pianos.

V. Lilacs, Rachmaninoff; I Heard a Piper, Bax; In the Time of Roses, Reichardt; Ma Girometta, Sibelius.

VI. The Blue Danube, Strauss-Schulz-Evler, arranged by Abram Chasins—Mrs. Eaton and Miss Larsen.

Concluding, refreshments were served by the hostess, Mrs. Melvin Keller, and her committee, Mrs. R. L. Young and Mrs. A. F. Kottcamp presiding at the charmingly appointed table.

LADY EAGLES' PARTY

President Maed Eckland was in charge of the regular meeting of the Eagles' Lodge Auxiliary, when plans were completed for the third birthday anniversary party to be held Tuesday evening at the Carver Hotel. Members wishing to attend are reminded reservations must be made no later than Saturday by contacting Clara Silstrom.

The traveling prize for the evening went to Clara Wetmore; the attendance award to Martha Edwards.

(From Page Four)

ing construction of buildings on the river bank.

One can get some idea of what the Warren of the past has thought of this man as well as of others of North Star by the landmarks that are named after them, such as Struthers Station, Carver street, named after Stephen Carver, an early member of the lodge; Irvine street, for a past master, Guy C. Irvine, who cleared the timber from nearby hills and valleys and sent down the river in rafts as much as 20,000,000 feet of lumber a year.

James Clark, then a director of the Savings Bank and Trust Co., sawed logs in a mill on the island.

This And That: One or more of your calendars may have "November 30th" printed in red and designated as Thanksgiving day, but take it from the folks up at the post office, November 29th is the date every person should be eating turkey. It appears that some calendar distributors overlooked the fact that some years ago the date for celebrating Turkey Day was fixed as "the fourth Thursday of the month" and is observed as such in all states, the District of Columbia and territories. . . . Patrolman Charles Musante has an interesting post card from Alexander Rashid, former local merchant, mailed from "Cita del Vaticano, Italy," which says: "Dear Charles: Here is that card from your friend—long promised card. Now in the Vatican city—eyes opened to greatest treasures in the world. Audience with His Holiness this afternoon. I have enjoyed Italy more than words can describe. Will tell you all when I see you. Hope you are well—Alex." . . . Franklin firemen, like the police, will get a \$50 a year clothing allowance starting January first. . . . In conjunction with the Crawford County Civil Defense program road blocks were set up at Tyroneville, near Titusville, Tuesday evening in less than two minutes and a half. . . .

Farrells Are Honored On 31st Anniversary

Mr. and Mrs. H. E. Farrell, 306 Frank street, were honored guests for a pleasant surprise party given at their home in celebration of their 31st wedding anniversary.

Several musical numbers, including "I Love You Truly", "Because", and "Only a Rose", were played at the piano by their daughter, Irene Farrell.

Guests were Mr. and Mrs. Charles Johnson and family, Mr. and Mrs. Frank Farrell and daughter, Mr. and Mrs. Lee Stiller and family, and Mrs. Glen Stiller, Youngville; Irene and Yvonne Farrell, Warren.

Lunch was served and the hon-

ored ones were remembered with a gift and best wishes for many more happy anniversaries in the future.

NAMES WEDDING DAY

Beverly J. Simons, daughter of Mr. and Mrs. Bert Simons, 123 Water street, will observe open church for her coming marriage to David H. Deardorff, son of Mr. and Mrs. Merle H. Deardorff, 15 Jackson avenue.

The ceremony will be performed at 7:30 p. m. Saturday, November 25, in St. Paul's Lutheran church.

Mrs. Simons entertained 15 guests at a beautifully appointed tea at the YWCA to disclose the wedding date. Mrs. Deardorff presided at a pretty tea table.

Girl Scout News

The Senior planning board of Warren County Girl Scout Council announces its first meeting for this year will be held from 4:30 to 7:30 p. m. Thursday, November 16. The Girl Scout Little House, at the rear of 404 Market street, is the place and a box supper is planned as one feature of the meeting. Mrs. John Kirk, Youngsville, is the Senior advisor and Mrs. Pat Sanford, Sheffield, the assistant.

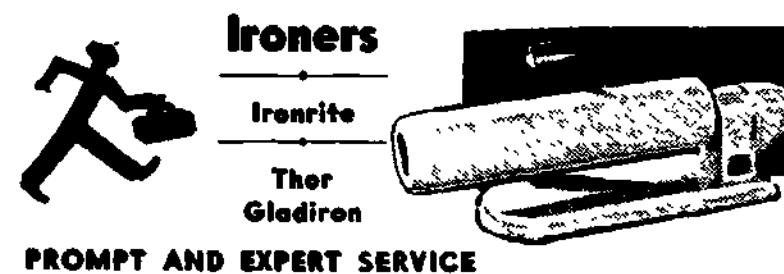

The Intermediate planning board has set its initial meeting for the same hours on Thursday, November 30. A box supper is planned and girls may buy ice cream and milk at the Warren County Dairy, where the meeting is to be held.

Warren residents are reminded that orders for Thanksgiving nuts must be in no later than November 13, with December 13 as the date set on Christmas nuts. The girls are selling nuts this year on a competitive basis, with the troop treasury getting the commissions. Every-

one interested is urged to contact his favorite Scout for orders.

There have been many requests for Girl Scout calendars and the office is happy to announce that calendars will be available the last week in November, so that troops selling them may pick them up at the office. Money from calendar sales is also added to troop treasuries.

EDUCATION WEEK AT HIGH SCHOOL: Shown here are two of the busy and popular rooms in the Warren High School building. Picture above shows the new Home Ec room, used for the first time last year. Miss Marie Weissentub, teacher, is shown standing at the desk (foreground); others left to right are Dolly Fino, Daisy Wilcox, Deedra Peterson, Connie Peterson, Shirley Kohler, Jeannette Ward and Mary Tassone. Below is the Library, with Mary Spleen, librarian seated at the desk. Students are Ruth Bielenberg, gym teacher, Marge Marker and Shirley Kohler. Pictures were taken by Times-Mirror staff photographer during the open house Tuesday evening.

Y-Teens Are Busy

Various activities have been keeping Y-Teens of the local YWCA busy these days, with hayrides being the latest fad. Both junior and senior groups are planning them and all the girls seem anxious to go.

The weekly Y-Teen radio program just begun is giving members a chance to display talents and original ideas. The first program was an informal get-together at the corner drugstore, the girls including Y-Teen news, high school events and birthdays of their pals in conversations. Adele Tranter is lending a hand with this project, which goes on the air every Saturday at 10:30 a. m. Other interest groups plan to take part in radio programs during the year and plans include having the junior high clubs on the air as part of the weekly program.

While this group is planning its weekly activity, various sounds may be heard from other rooms of the "Y". The sports class in the gym, under the direction of Magda Fanaritis, is spending most of its time on basketball but plans to have some games of volleyball,

ping pong, and shuffleboard. There are hopes for a basketball team later for some competition games.

Anyone glancing into the social room will see all sorts of actions and hear all kinds of queer voices, since the dramatics club, under the direction of Meredith Jones and Pat Lawson, is practicing a play to be given for the Christmas program December 11. This group also plans to give skits upon request.

Upstairs in the Y-Teen room, voices of the girls' choir are heard practicing various songs for Christmas event. Singing for the radio programs will also be a part of this unit's activity. Viola Lindmark is accompanying the choir and Marian Whipple is the accompanist.

Those in the charm course, directed by Dee Newmaker, Ann Spiedel and Barbara Campbell, are studying various beauty courses, as having outside speakers and indications are the girls are learning many helpful things.

The crafts class meets in the basement at the "Y", with Phil Stewart helping in wood painting.

Wooden trays, jewelry boxes and lap boards have been ordered and when painted and finished will make nice Christmas gifts.

Girls in the party-cooking class, which meets at Thelma Carmody's home, have made sundaes and different kinds of sauces. This week, they went to MayBelle Bairstow's home to make mints. Mrs. Carmody is directing the group and the use of her home is appreciated.

Knitting needles are clicking for some Y-Teens at Ruby's Yarn and Art Shop as the girls make progress in their knitting. Some of the advanced girls are making sweaters, mittens, socks and other articles and are appreciative of the use of her shop on Monday evenings.

Details will be announced later for the Christmas program, to be given December 12th for mothers and friends.

Six of the girls went to Bradford conference, accompanied by Dorothy Collins, program director.

Junior High clubs are also busy, the N. nth Grade Club having voted to have Patty Arnold as a member of the group again this year and presenting her with a membership card in a visit to her home. She plans to attend some of the meetings and get to know the

girls better. With the help of their advisor, Gretchen Embart, this group is painting small wooden salt and pepper shakers for Christmas gifts.

Eighth graders had a Halloween party, are planning a hayride and will "adopt" a family as a world fellowship project.

Officers elected by the Seventh Grade Club are Rebecca Munn, president; Dianne Lowe, vice president; Malja Baumanis, secretary; Emily Robertson, treasurer. The girls have already visited a bank and plan to visit other places in the community, with a party in the gym for their social event.

Both senior and junior groups are contributing bars for the Chocolate for Christmas drive, the candy to be mailed to Japan so that some of the children of that country will have candy for Christmas.

The U. S. Bureau of Mines says most U. S. mine fires are checked before they do serious damage.

REPORTING

The members of the community are reminded again that there is a continuous variety show at their public library. Among the most recent new turns are the following:

For laughs, Professor Fodoraki, by Taylor, is guaranteed to produce the old boffo. It is the story of a European professor who comes to this country with very decided ideas about our customs. However, he succumbs to the football fever and, as coach for a small southern team, he gets some results that are not only funny but hair-raising.

The Uneasy Years, by Rosaire, is the kind of story that its always good, a story about the com-

plications of family life. Laura, apparently, is a hard-working, self-sacrificing mother and wife, tied to a shiftless husband. What is not so apparent is her motive. It makes a good plot.

First On The Rope, by Frison-Roche, is more than just another book for the arm-chair mountaineers. It is the story of an Alpine guide who loses his nerve and finally, in a dramatic moment of triumph, overcomes his fear of the mountains, as well as fear of himself.

Ill Met By Moonlight, by Moss, is the answer for those readers who want their non-fiction to be as exciting as fiction. It seems that in 1944 a group of young British soldiers kidnapped a German general in Crete. It was a dangerous and, yet, amusing escape and Mr. Moss is especially good in describing the personalities of the kidnappers and their indignant German general.

This Is Germany, edited by Settel, is supplementary reading to the daily newspaper. Here ten Am-

erican newspaper correspondents describe with complete frankness just what life is like in Germany and how effective our policy is. There are a few people who are willing to read eye-witness accounts even when they aren't very encouraging—and this is for them.

Men Without Faces, by Budenz, is one of the acts the management presents against its better judgment—but there are those who want it so here it is. Mr. Budenz is one of those boys who spent ten years as an active American Communist before he decided to tell all. He describes how the party operates, how it recruits and trains members and its methods in involving important people innocent of an unpatriotic intent. Much of his factua frankness must be accepted without proof, but he makes it plain that he knows now he was a bad boy and he's very sorry. (But, brother, ten years is a long time.)

It is against the law to capture or sell cardinal birds.

LATIN ORIGIN
Our word "forest" comes from the Latin "foris," meaning "out-of-doors," since most of the out-of-doors was covered in trees in ancient times.

PHILATHEAN CLASS
Clarendon, Nov. 9 — Philatelic Class members held their November meeting in the Methodist church parlors Tuesday evening, with 14 present. Devotions were conducted by Mrs. Sadie Smith on a Thanksgiving theme, with scripture, a reading, a hymn, "We Thank Thee, Lord", and prayer by Rev. Sprigg Harwood.

The business session was conducted by the president. After reports had been given by the various officers, the class voted to pay \$25 on the furnace as its White Christmas offering. Plans were also made for a Christmas party to be held the evening of December 5.

Mrs. Della Wyckoff then took charge of the program, which consisted of several readings, a Bible quiz, and a very interesting talk by Rev. Harwood on "The Story of the Ten Lepers". Concluding refreshments were served by Mrs. Mary Campbell and Mrs. Maude Hyer at a table made lovely with fall flowers and Thanksgiving decorations.

Hostesses for the December meeting will be Mrs. Gertrude Damm and Mrs. Jennie Boyles.

Officials from Wright Field in Dayton, O., hurried down to East Texas to see for themselves. They ended up by gladly paying the Navy veteran \$63,000 for the lot.

CRUSADE MEETINGS

The meetings at Grace Methodist church, under the sponsorship of the Christian Laymen's Crusade, continue each evening at 7:45 and all interested are cordially invited. This evening's guest speaker will be Fred Barner, hardware merchant from Buffalo. On Friday evening, Robert Chenault, Detroit, Mich., will be heard, and on Saturday evening, six o'clock men of all churches are welcome to the Christian Business Men's Committee banquet at First Baptist church.

NO MERCY FOR PETAIN

Paris, Nov. 9 — (P) — The French National Assembly today refused, by a vote of 466 to 98, to free aging Marshal Henri Philippe Petain from prison. Deputy Louis Terrenoire, a follower of Gen. Charles DeGaulle, submitted an amnesty motion for the 94-year-old Vichy French leader yesterday, and the debate was resumed this morning.

TODAY is pay day for all the folks who have classified ads.

DuBois Car Agency Rooms Visited By Destructive Deer

DuBois Courier-Express: It must have been a Jefferson County doe that got its dates mixed, mistook Election Day for the hornless deer season, hurried over to the safety of Clearfield County and raised holy heck at the Burns automobile agency on East Long Avenue early Tuesday morning.

The animal crashed through a big 5x7 plate glass window to get inside then loused up the offices, parts room and some of the rest of the establishment with blood and fur before leaping out the same hole, streaking off across Long avenue into Rose Alley and down Spruce Alley.

There all trace was lost and it may still be hiding in a storebox back of one of the stores.

From whence it came nobody knows. In fact nobody was aware of its presence within half a block of the business center of the city until several neighbors, startled by the explosion of the big glass window, went outside to investigate and, after they had about decided that their ears deceived them because they could find nothing wrong, were amazed to see the bleeding animal leap quietly out of the place where the plate glass window had been.

Her fur was badly ruffled and it was evident that she had had a rough time inside. Investigation verified the evidence. There was blood all around the polished floor of the show room and offices, part of her fur coat was sticking to the safe, doors and elsewhere, a big heavy motor was upset, numerous smaller automobile parts were banged out of place and scattered, and there was blood up as high as seven feet on the windows of the parts room.

Nobody was in the agency when the woodland lady paid her visit but that didn't keep her from getting excited and trying to buck her way out of the confines of the building in every which way.

It was not until she had bounced out through the same hole she

entered that the neighborhood knew what was happening, and then it was only for a few fleeting moments while the animal dashed madly through the alleys to put distance between her and the place of her confinement.

Russ Burns, head of the agency said his loss may be several hundred dollars but that it was worth it, because the doe evidently had heard something about the new 1951 Ford and had come in to get an early look at it.

telephone exchanges and other Bell System buildings at the effective strike times.

Within a few minutes of the start of the strike, pickets were out in New York City, Washington, D. C., and other large cities in the area west of the Indiana-Ohio border.

Philadelphia, Nov. 9 — (P) — Picket lines were established this morning outside the Bourse Building and the 9th and Race streets long line telephone centers in Philadelphia.

The picketing began at 6 a. m., the hour marking the start of a nation-wide work stoppage against the Western Electric Co.

The effect of the walkout on long distance calls in Pennsylvania was not immediately apparent.

PITTSBURGH STRIKE PARLEY IS RESUMED

Pittsburgh, Nov. 9 — (P) — Representatives of newspaper delivery truck drivers and publishers of Pittsburgh's three strike-bound Dailies met today for wage talks which may go a long way toward settling the 30-day newspaper walkout.

Idle truck drivers had scheduled a strike against the newspapers early in October. But a strike of 200 mailing room employees two days earlier had already shut down the newspapers.

A settlement with the drivers—whose wage demands are not known—may pave the way toward a pact with the mailers.

Representing the drivers is Albert O. Dietrich, International representative of the AFL Teamsters Union.

Pheasant Hunters Fire Charge Into Window of an Auto

Townville—Irresponsible pheasant hunters fired a shotgun charge through a car window Tuesday narrowly missing the occupants, and then treated the matter as a joke.

Mrs. Wave Mosher and daughter Freda of Route 1, Townville, were on their way to Meadville about 11 a. m. They were about a mile and a half between their home and Little Cooley when three hunters shot at a ringneck pheasant flying toward the highway.

Part of one charge struck the windshield of the Mosher car. Several holes were made in the shattered glass.

Mrs. Mosher stopped the car and confronted the hunters, showing them what had happened.

"They just acted as if it were a joke," she said.

They refused to give their names or license numbers to Mrs. Mosher but she and her daughter knew one of the hunters and identified him as being from Union City. The car occupants also got the license number of the trio's auto. An attempt will be made to prosecute or at least recover damages.

Mrs. Mosher said if anyone had been afoot along the highway he would have received the full charge of the pellets in the face.

IRVINE

Irvine, Nov. 8—About 30 persons were in attendance at the game supper held in the church basement Saturday night, with game plentiful and a delicious menu served. Out of town guests were Rev. and Mrs. E. W. Chitester, Youngsville; Mr. and Mrs. William Sweetland, Pleasant township.

The dinner was planned at the regular meeting of the WSCS, held at the home of Mrs. Edith Olson. As president, she conducted the business session and led the devotions. Mrs. Mason conducted a Bible quiz. Plans were discussed for the next meeting, a Christmas party in the church basement, when gifts will be exchanged. To conclude, a silver offering was taken and refreshments were served by the hostesses.

Mr. and Mrs. Glenn Pinkerton, Cleveland, were callers at the N. B. Huling home Sunday.

Mr. and Mrs. Oliver Olson and son, spent Sunday at the home of her brother, Robert Newhouse at Lewis Run.

Everett Nyberg has been called to go to Erie next Thursday for physical examination.

Mr. and Mrs. Charles Murphy and children, Erie, were weekend guests at the home of her parents, Mr. and Mrs. Earle Easton.

Mrs. James Dolphin, Sr., spent the weekend with Mrs. Bertha Akeley, Warren.

Mr. and Mrs. Merrill Huling moved their household goods to Erie Thursday. Merrill has been employed in Erie for some time.

Today's Business Mirror

BY RADER WINGET

(For Sam Dawson)

New York—(P)—Commodity prices soaring with the spread of the Korean war focus attention on the belief of some that a dangerous flare-up in inflation is more likely now than at any time since the end of World War II.

But the machinery and the will to control such severe economic distress are at peak strength. The government has a complete list of anti-inflation weapons, and today's elections clear the way for their unrestricted use without fear that the cry of "politics" will be raised. Inflation is sometimes so deceptive that it escapes attention until it damages some part of the national economy. And history shows that inflation always has persuasive advocates.

Inflation in its simplest form is abnormally high prices for goods and services. Almost everyone wants a high price for his own merchandise or the service he sells.

The danger comes when the prices skyrocket in response to possible shortages or as the result of panic buying or hoarding.

Then money loses its value in the eyes of the people and there is a stampede to unload money for goods before money itself becomes worthless.

Every G. I. overseas remembers when at some time or other his money was worthless in trading with local people, but his cigar-

ettes and chocolate were as good as gold in the market place.

Since the end of World War II there have been several starts toward deflation with prices turning downward. But in every case they have headed up again in the familiar inflationary manner.

The latest see-saw in the inflation-deflation tug of war came with imposition of credit controls on installment buying and housing. There were loud cries from many that buying was being throttled.

Governor M. S. Szymczak of the federal reserve board said: "That is exactly what these regulations should do if they are to accomplish their purpose." He made the statement at a Chicago bankers' meeting.

But at the same time Szymczak said regulatory measures so far taken by the board have not broken the momentum of inflation. From the tone of the speech some observers conclude that the federal reserve will tighten credit still further in order to head off direct ceilings on wages and prices, which the board dislikes.

The F. W. Dodge Corp. today takes a look at the future through the opinion of 106 economists. The majority anticipate a moderate increase in the cost of living in the first half of 1951.

And the labor publication "C. I. O. Economic Outlook" predicts the cost of living next spring will reach the highest point since the last war.

A great many businessmen fear that with present controls and with a shift in emphasis from civilian to military production there will be an economic dislocation that will bring on a recession for some months.

Defense Secretary Marshall himself sought to lay those fears to rest this week-end at Sea Island, Ga., at a session of the business advisory council of the commerce department. Marshall said a four-year plan for rearmament is being designed to step right in with orders where civilian production lags because of war emergency controls.

That means production in coming months can be expected to continue unabated at record levels.

OUTDOORS

Radison, Wis.—(P)—A great many important people in wildlife management have beaten a path to this town, which you wouldn't call much of a town unless you were a sharpshooter, or a timber wolf.

But there is a man here who makes it quite a town, and the path you take leads to a workshop in the yard of a little house out where the big woods comes very close.

When you open the door of the workshop, you step quite suddenly into the exact and only dimly familiar world of natural science. There is the opulence of magnificent furs—bear, wolf, fox, beaver; and also of field mouse, gopher and martin kit. Bird skins are here too, from humming bird to

eagle and a full wall spread of grouse, taken year by year through their mysterious circles. You see the stark whiteness of bone, the polished skulls mounted for study.

This is the laboratory of George Ruegger, self-made scientist who has been described as a man of endless inquiry.

Ernest Swift, director of Wisconsin's famed conservation department, calls Ruegger "the finest naturalist I ever knew."

Ruegger came here from Illinois in 1905. He was a professional hunter, living by the trap and gun, but Swift says of him: "Ruegger brings a new dignity to hunting. His code of ethics

is one of the strictest I have ever seen."

As a predator trapper, Ruegger became a specialist in killers. He is surely one of the nation's greatest authorities on wolves, their habits and their ecology. But his authority goes far beyond that now. His word is sought and considered certain on nearly every species of bird or animal native to northwestern Wisconsin.

It came out this way, he says, "just because I never stopped looking."

And he doesn't intend to stop looking now. This fall he picked up a new pup and spent a good deal of the partridge season bringing certain salient facts of bird

Ludlow Is Planning a Special Program For Education Week

Ludlow, Nov. 9.—The entire community has been invited to attend a special program to be given in the Ludlow school at 7:30 p. m. Friday in observance of American Education Week.

Mrs. Herman Davidson, Hamilton township supervising principal, reports that cod liver oil tablets will be given daily to all children whose parents request they be given, beginning Monday of this week and continuing until March. She also announces that a toxoid clinic will be held November 14th, when children will receive injections for tetanus and diphtheria, with Dr. McGhee and Miss Gentilman of Kane in charge. All parents with children from six months and up are urged to have this done with no charge.

Announcement also is made that fluorescent lights are being placed in the front two rooms of the high school building. This type of lighting was placed in the back two rooms last year and proved so successful it was decided to place them in these rooms this year.

Wildcat Park Community Auxiliary held its last meeting of the season Monday evening at Wildcat Park in the form of a turkey supper and games party to which all members contributed prizes. A short business meeting was conducted by the president, Mrs. Albert Carlson. Guests included Mrs. Axel Nelson, Ludlow, and Mrs. Margaret Peterson, Erie. There were 50 present.

Ludlow Ladies Aid was entertained by Mrs. Robert Wenstran at her home. The business meeting was conducted by the president, Mrs. George Anderson, with Christmas plans made. Coffee was served in the late evening.

Little Judy Johnson was honored guest when her mother entertained at an afternoon party in celebration of her eighth birthday, the party given at the Evert Johnson home. Guests included Alexandra Connelly, Carol Ann Ralston, Emily Johnson, Cathleen Burns, Geraldine Wytrom, Patsy Ralston, Janelle Carlson, Danny Troutman, Ray Swanson, Ludlow; Shirley Philip, Sue and Jack Christenson, Kane. Other out of town guests included Mr. and Mrs. Stanton Christenson, Mrs. Roland Christenson, Kane.

Housework Easy Without Nagging Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions. If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Youthful Plumer Hunter Spends Wet Night in the Woods

Confronted with twin fears of darkness and parental discipline because he had gone hunting alone 11-year-old Donald Peterson of near Plumer chose the night.

The boy, son of Mr. and Mrs. Vance Peterson of Route 1, Oil City, was found about 9:30 a. m. Tuesday about a mile from his home. When four youths out of a search party of more than 250

spotted him, he began to run further into the woods. He had been out all night in the cold woods after he left home about 4 p. m. with a 16-gauge shotgun and eight shells. The boy had been disappointed by Saturday's rain and no hunting that day, so he disregarded instructions and went out by himself.

When he did not return by nightfall, his parents feared he had been accidentally wounded and might be lying somewhere injured. They notified State Police and an extensive search for him began. Rouseville and Seneca volunteer fire departments and yesterday a Boy Scout group. About 250 persons in the morning, and 150 at night participated. The Oil City Red Cross chapter served sandwiches and coffee to the searchers. Bloodhounds trailed the boy to a blacktop road and then lost the scent.

Donald was hungry but apparently did not suffer from exposure. He spent the night under a log in a brush pile, after he had fired one shot to test his weapon. The lad was apparently determined in his hunting. Tuesday morning as soon as it was light he began to hunt again and got one shot at a squirrel but missed. The gun's impact nearly broke his shoulder, he said.

His parents were glad to see him and were relieved to find he was safe.

CARS COLLIDE

About \$500 damage resulted from a two car collision on Conewango avenue between Pennsylvania and Jackson about 1:30 p. m. yesterday. Joseph R. Spence, 310 East street, was operator of a car which skidded on the wet pavement and struck a parked car owned by Jacqueline Hubbard, of Union City. There were no injuries.

Burglary Suspect Is Arrested In Olean

Clark L. Bacon, 22, formerly of Youngsville, was arrested in Olean, N. Y., Tuesday evening, upon request of the Warren county sheriff's office, and was returned here yesterday by Sheriff L. E. Linder and Deputy Sheriff Sandy Secor.

Bacon will be arraigned today before Justice Tracy M. Greenlund on a charge of burglary in connection with a series of robberies which occurred in Youngsville in early September. Officers said this morning that Bacon has admitted participation in the burglary of Barton's Youngsville Super-Service station on Sunday, September 10, in which \$90 in cash and six cartons of cigarettes were stolen.

Inasmuch as the charge is not bailable before a Justice, Bacon will be remanded to county jail for bail to be set by Judge Allison D. Wade.

STARBRICK MEETING

Starbrick Community Association members will hold their regular meeting at the school building at eight o'clock this evening.

AT SNAPP MEETING

Mr. and Mrs. Virgil E. Zetterlind and Mr. and Mrs. Robert K. Moonhead, representing the McIntosh Photo Studio of Warren, attended a meeting of the Southwestern New York Association of Professional Photographers (SNAPP) at the Hotel Concord in North East last night. Highlight of the evening's program was a demonstration of studio lighting techniques by Fred Church, Eastman Kodak Co. representative.

POSTS DAMAGED

Joseph Sullivan, 911 Fourth avenue, lost control of his car shortly after midnight this morning while driving west on Pennsylvania avenue at Laurel street. The car climbed the curb and damaged a stop sign, a street light post, and a fire hydrant. No one was injured and amount of damage to Sullivan's car was not estimated as yet. Police notified fire officials and Fenelec repairmen so that replacements could be made. Sullivan was not injured.

ACCIDENT REPORTED

William Shine, of Youngsville, reported to police yesterday that his car had been struck by an unknown driver while parked on Pennsylvania avenue, east. The amount of damage was not estimated. Florence Boyd, 532 Crescent Park, reported also that her car, parked near the Sylvania plant, was struck by an unknown driver with about \$20 in damage. Police are investigating both incidents.

COLD WAVE ON THE WAY

The weatherman says winter is coming in its most apparent form—snow. Snow flurries are predicted for some portions of western Pennsylvania Saturday. Colder weather also is expected with the mercury probably going down to the low 30's or upper 20's in western Pennsylvania. The low for the eastern portion of the state tonight is expected to be between 30 and 40.

Franklin Autoists Have Exciting Time With Large Buck

Franklin — A prize that most hunters would walk many woodland miles for, a large ten point buck deer, showed the McIntire family of 619 Elk street a little too much "co-operation" Sunday evening by leaping from a high bank onto their car as they were traveling up a hill on the Georgetown Road, near Niles.

The driver of the sedan, Miss Betty McIntire, 21, momentarily lost control when the large animal hit the machine and narrowly missed a utility pole as the car left the roadway.

"I looked up just in time to see the deer leap from a high bank beside the road," said Mrs. John McIntire, an occupant in the front seat of the car.

"We heard an awful thud and then a bump," she continued, explaining that the group believed the deer landed directly in front of the machine, striking the radiator, and was probably then run over by the car.

Although none of the passengers or the driver was hurt, the damage to the automobile will run to several hundred dollars, it was reported.

The deer, obviously badly injured, managed to reach the nearby woodland where it could be heard "floundering around in the leaves," Mrs. McIntire said.

Mr. McIntire and his son, Glenn, 16, followed the deer into the woods with a flashlight but could not keep up with the progress of the injured animal. The animal could not use its hind legs and was believed to have a broken back. A passing motorist also stopped and entered the woods in an attempt to locate the injured deer, but the darkness and terrain proved too much for him. A game warden was notified.

The car began smoking shortly after the mishap and was believed to be on fire until the smoke was attributed to anti-freeze, put in the radiator the day before, which spilled over the hot motor.

It was necessary to have the vehicle towed back to Franklin.

Varsity Letters Awarded to 24 Warren High School Gridders

Twenty-four members of the Warren High football squad will receive letters this year, it was announced today by J. B. Leidig, head football coach and director of athletics of the high school.

This number includes the five managers of the squad and will be the second football letter for Bob Foley, Dan Jackson, Ed Shanshala, and Paul Shattuck.

Others receiving a letter for the '50 season are Roger Babcock, Robert Benson, Louis Berardi, Mark Bevevino, Den Bonace, Charles Conaway, Dale Dremann, Robert Eames, Hugh Lauffer, Ben Patrick, Bob Reese, George Scashe, John "Toby" Shea, Jim Sigworth, Dean Vesting, and the managers Richard Campbell, Edward Gustafson, Alfred Heubach, Chuck Irvin, and Tommy Thompson.

Five of these boys, Scashe, Conaway, Patrick, Shea, and Vesting, will be returning next year, with sophomore Toby Shea having two years still ahead of him.

The Dragons had a rather poor season this year in their nine game schedule, winning three while losing six. The Blue and White lost its triple threat man, Ed Shanshala mid-way in the season, due to injuries and also without the services of Lee Weidmaier and Don Shriver for nearly the whole season.

Most of the other backfieldmen also suffered injuries that kept them out of at least two games, as well as the two ends, Bob Eames and Hugh Lauffer.

The season's record:

100 Boys Try Out For Floor Team

An even hundred hopefuls responded this week when Coach Joe Massa issued first call for Warren High School basketball team candidates.

Included in the group were 24 seniors, 30 juniors and 46 sophomores.

Lettermen returning from last year's team are Bob Foley, Paul Gordon and Paul Shattuck.

Scholastic Gridiron Season to Close

While a large number of grid squads around the area wound up their 1950 season last week there are still a few traditional Armistice Day weekend contests to be played off this Friday and Saturday.

These games will climax the scholastic football schedules of this section.

Eyes will be turned on the Ridgway and Johnsonburg game slated for Saturday at the latter's home field. The Johnsonburg eleven presents a strong team and is a threat to the undefeated Elks.

Another important Saturday grid scrap will be played between Kane High and Smethport, while on Friday Franklin will invade Oil City, and Erie East will travel to Meadville.

The weekend schedule:

Friday
Franklin at Oil City
St. Marys at St. Bernards
Erie East at Meadville
Farrell at Sharon

Saturday
Kane at Smethport
Ridgway at Johnsonburg
Port Allegany at Portville
DuBois at Punxsutawney
Erie Academy at Erie Prep
Erie Tech at Johnstown
Erie Vincent at York

SPORTS IN BRIEF

Baseball
Pittsburgh — Branch Rickey hired two former Brooklyn employees for the Pittsburgh Pirates—George Suter as scout and Harold Roettger as a front office assistant.

Versailles, Ky. — Commissioner A. B. Chandler said an agreement was reached to recommend the bulk of the \$975,000 received from World Series television and radio rights be put into the players' pension fund.

Racing
New York—Steel Blue (\$4.50) won the mile and a sixteenth feature race at Jamaica.

Baltimore—Roman Bath (\$6.60) won the featured Andy K. purse at Pimlico.

Louisville—Yellmantown (\$26-60) won the headline race at Churchill Downs.

Ingleswood, Calif.—Wilma Shoemaker rode two winners at Hollywood Park and equalled the modern record of riding 319 winners in a single season, set by Johnny Longden in 1948.

San Mateo, Calif.—Bay Meadows had a \$2,006.30 daily double produced by Sea Song (\$83.20) and Sweep Ahead (\$44.80).

Chicago—Lusty Song, 1950 Hambletonian winner and highest money winning three-year-old trotter of all time, has been retired from racing, it was announced by owner E. J. Hayes of Duquoin, Ill.

FIGHTS LAST NIGHT

By The Associated Press
Chicago—Ray "Sugar" Robinson, 157, New York, outpointed Bobby Dykes, 148½, Miami, 10, (non-title).

Toronto—Alan McFater, 139½, Toronto, knocked out Tommy Greb, 137, Boston, 2.

Foolproof Way Discovered For College Elevens To Achieve High Nat'l Ranking

New York, Nov. 9.—(P)—We have discovered a foolproof way for a college football team to achieve high national ranking without being accused of playing a pantywaist schedule.

All it has to do is to figure which teams will be in the top 10 or top 20 three or four years hence, and make out the schedule to include a few of them. Either that, or join the big ten or southwest conference, both of which seem well represented in the select group annually.

Army in particular has come in for some scathing criticism this year because it currently is ranked No. 1, yet has not played another team of the current top 20.

Nothing is said about Miami, No. 9, or Princeton, No. 8, which are in the same category, or about Kentucky, No. 4, or California, No. 6, who do not play a team in the current top 10, although playing teams in the second 10.

Army practically is accused of obtaining money under false pretenses, or some such thing. It is forgotten that in the preseason poll Michigan, whom Army defeated, was ranked No. 3, and Stanford, whom the Cadets meet next week, was rated No. 7.

Is it Army's fault that Michigan and Stanford did not live up to expectations?

The weekly Associated Press poll is a flexible thing, as a well-ranked team which comes up with a bad Saturday knows too well.

Army, which as mentioned doesn't meet any team of the current top 20, has met teams on that list at the time of the meetings. Penn

was No. 15 before it met Army. Michigan was No. 18 before the Army game. The defeats knocked them clean out of the picture.

The situation is similar to that surrounding Joe Louis in his prime. The Brown Bomber would meet a challenger rated well as challengers went in those days, but when Joe got through with them they just didn't rate any more.

We suppose the best way to judge a team's strength is to figure the ranking of an opponent at the time of the game, rather than in subsequent weeks. A team beating a No. 4 team, say, should get credit for that feat even if the No. 4 team eventually winds up No. 44.

Maybe it's a good thing for Notre Dame that it is having a poor season. It escapes a lot of criticism. The Notre Dame schedule has a lot of big-name schools on it, but currently only one team—Michigan State, No. 12—is in the first 20.

Ohio State, a close runnerup to Army in this week's poll, doesn't have to bow its head when schedules are discussed. The Buckeyes meet two other teams of the top 10, and three in the second 10.

ERIE VETS TO FINISH 1950 GRID CAMPAIGN

Erie, Nov. 9.—(P)—The Erie Vets have no intention of disbanding despite the moves of other clubs in the rapidly shrinking American football league, according to Vets President Donald Peck.

The Pro Gridders elected to play out their 1950 schedule at a meeting last night, called after the league's Paterson, N. J., Panthers threw in the towel.

The Paterson disbandment leaves only three teams in the AFL—Erie, Jersey City and Richmond, Va. Other elevens which have dropped out of the Pro football loop—all because of financial ailments—are Bethlehem, and Brooklyn.

FLORIDA HOPEFUL IS NO MATCH FOR "RAY"

Chicago, Nov. 9.—(P)—Welterweight Champion Ray "Sugar" Robinson won another fight last night, settling for a 10-round split decision when a knockout seemed inevitable several times.

The victim of Robinson's 121st victory was Bobby Dykes, young and game Miami, Fla., hopeful.

The match was not for Sugar's title. He weighed 157 pounds, 10 pounds over the welter limit, to Dykes' 148½.

Despite the champion's evident superiority, it was a split decision. The referee and one judge gave the decision to Robinson. A second judge voted the bout a draw.

1951 Ticket Sale of Athletics Launched

Philadelphia, Nov. 9.—(P)—The Philadelphia Athletics started their 1951 ticket sales campaign yesterday and with the opening came these news items:

1—Bing Miller, outfield star of the A's halcyon days two decades ago, has been re-appointed coach.

2—The Athletics will play the American League's first opening game under the lights April 17 with the Washington Senators furnishing the opposition.

3—Rome, N. Y., of the class C Canadian-American League will join the Athletics' farm system.

All of the announcements came from Arthur Ehlert, recently appointed general manager.

It will be Miller's second year with the club as coach. Bing recalled that he and manager Jimmy Dykes had been together in baseball all except about seven years since they played for Atlanta after the First World War.

Drafting of Players By Major Leagues Means Plenty Work

Cincinnati.—(P)—The men who know baseball players best—the scouts and the farm organization executives—have been given plenty of work to do.

Baseball Commissioner A. B. Chandler released 76 pages of names—players who will be subject to baseball's major league draft at a meeting there Nov. 16.

From that long list of names the scouts and heads of the major league club farm systems will cull the players they'd like to grab off in the draft.

Players drafted cost the major leaguers from \$10,000 for players taken from Class AAA loops down to \$2,000 for those, if any, taken from Class D leagues.

The draft arrangement is this: No more than one player on the regular draft list can be taken from any one minor league club.

However, there is another group of players, those placed on an unrestricted list by the minor league clubs and bonus players who haven't been recalled by the majors and any or all of them can be drafted.

The draft selections will start with Pittsburgh, last place finisher in the National League, getting first choice and the last place Philadelphia Athletics of the American League getting the second choice.

From there the major league moguls will proceed upward through the standings and then repeat the process until everyone has passed.

Now it can be told. This clean-lined, smart-stepping 1950 version is the most popular Buick ever built.

Ever since early in the present year, a value-wise public has been taking them away from us as fast as—or faster than—the great Buick factories could roll them out. Within recent weeks, production and sales have set an all-time record.

Count off the distinguished and time-tried features of this winner and you'll know why.

It has a Very Exclusive Motor—Buick's own high-compression Fireball—which gets its driving power from a combustion chamber found in no other car in the world.

It has the bump-smothering softness of coil springs on all four wheels and a torque-tube drive—a comfort combination that no other car provides.

It has Dynaflow Drive*—

Only Buick has Dynaflow—and with it goes:

HIGHER-COMPRESSION Fireball valve-in-head power in three engines (New V-263 engine in SUPER models) • NEW PATTERN STYLING, with MULTIGUARD fenders, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and maneuvering, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, safety-ride rims, low pressure tires, ride-tending torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

When better automobiles are built BUICK will build them

ELKS LEAGUE
N. Grosch, of the Grosch Brothers team, and Elliott, lead-off for Times Square, waged a scoring duel in an Elks Club tenpin league scrap last night and when the smoke of the battle cleared away, both had exactly the same three-game total of 551 sticks. Grosch had a 166-180-205 series while Elliott had 137-182-232.

Sizes stated are approximate. More of those wonderful rugs. Four sizes, loomed of "Wunda-Weve," the famous deep cotton pile rug decorators used to create their extravagant effects. Use them in bedrooms, in front of beds and slipper chairs, in dressing rooms, in conversation centers or your living room. Fast colors are dyed in the yarn for perfect color distribution. Each loop is double-locked before cutting. Misweaves are slight, can't spoil the wear and pleasant feel of the deep pile.
